**American Heart Association Basic Life Support (BLS)** Continuing Education Credits: 0.15

The AHA's new BLS Course has been updated to include science and education from the 2015 Guidelines Update for CPR and ECC. Many healthcare industries and professionals are required to have this level of CPR training. This course teaches both single-rescuer and team basic life support skills for application in both prehospital and in-facility environments, with a focus on high-quality CPR and team dynamics. This course includes adult, child, and infant CPR and AED use in addition to bag-valve mask ventilation and how to care for someone who is choking. American Heart Association BLS certification will be awarded upon successful completion of the course.
