

Powered Industrial Truck Operator Safety Course

Continuing Education Credits: 0.15

This course is designed for personnel who will work with powered industrial trucks (PIT) (i.e. forklift) used to carry, push, pull, lift, stack, or tier materials. It will better familiarize the worker with the potential health and safety concerns associated with powered industrial trucks. The content in this course is designed to comply with the intent of the applicable regulatory requirements. Learner objectives for this course are to: specify the purpose of the Powered Industrial Truck standard (OSHA 29 CFR 1910.178), define the operator training requirements for powered industrial trucks, distinguish several types of powered industrial trucks, recognize some general engineering principles associated with powered industrial truck safety, distinguish potential occupational health and safety concerns associated with the use and maintenance of powered industrial trucks, describe safe loading and unloading methods, identify general inspection and maintenance procedures.

Class# 9074	Dates: 2/27/2018	Tuesday		Fees: Under 62: \$75.00	Over 62: \$55.17
			Rhineland - Birchwoods Center 103	8:00 AM - 2:00 PM

			Rhineland - Birchwoods Center 112	5:00 PM - 9:00 PM	

OSHA 10 Hour General Industry

Continuing Education Credits: 0.25

Workers are provided with general awareness about recognizing and preventing hazards commonly found in the workplace. OSHA recommends this training as an orientation to occupational safety and health. Learn how nine major provisions of the Occupational Safety and Health Act (OSHA) can be implemented in the workplace. Topics include common violations; inspections, citations and penalties; walking and working surfaces; means of egress and fire protection; hazardous materials; material handling; electrical safety; and machine guarding. This course is taught by an OSHA-authorized instructor. Participants who successfully complete the course will receive an OSHA course completion card. Workers can receive additional training on hazards specific to their job. 10 hours of mandatory and optional topics will be covered.

Class# 9073	Dates: 4/9/2018 - 4/10/2018	Monday		Fees: Under 62: \$200.00	Over 62: \$166.95
	Meets 4/9/2018		Rhineland - Birchwoods Center 103	8:00 AM - 4:00 PM	
	Meets 4/10/2018		Rhineland - Birchwoods Center 103	8:00 AM - 11:30 AM	
	Class is embedded with the OSHA 30 taking place 2/5-2/8/18				

OSHA 10 Hour Construction Industry

Continuing Education Credits: 0.25

Workers are provided with general awareness about recognizing and preventing hazards commonly found in the workplace. OSHA recommends this training as an orientation to occupational safety and health. This course covers construction safety, health principles and OSHA policies, procedures and construction industry standards. Special emphasis is placed on the most hazardous areas using OSHA standards as a guide. This course is taught by an OSHA authorized instructor. Participants who successfully complete the course will receive a card from OSHA certifying completion of the course. Workers can receive additional training on hazards specific to their job. 10 hours of mandatory and optional topics will be covered.

Class# 9071	Dates: 3/5/2018 - 3/6/2018	Monday		Fees: Under 62: \$200.09	Over 62: \$167.04
	Meets 3/5/2018		Rhineland - Birchwoods Center 103	8:00 AM - 4:00 PM	
	Meets 3/6/2018		Rhineland - Birchwoods Center 103	8:00 AM - 11:30 AM	
	Class is embedded with the OSHA 30 taking place 5/5-8				

OSHA 30 Hour Construction Industry

Continuing Education Credits: 0.75

This course is for supervisors and those desiring more extensive safety and health training in construction safety, health principles and OSHA 1926 policies, procedures and other construction industry standards. This course is taught by an OSHA authorized instructor. Participants who successfully complete the course will receive a card from OSHA certifying completion of the course. Workers can receive additional training on hazards specific to their job. 30 hours of mandatory and optional topics will be covered.
