Wisconsin G.I. Bill (WI GI Bill) Tuition Remission for Wisconsin Veterans

Overview. Under the Wisconsin G.I. Bill, an eligible veteran who entered active military duty as a Wisconsin resident is eligible for remission of 100% of standard academic (tuition) and segregated fees at a University of Wisconsin System (UW) institution or 100% of the program (tuition) and material fees at a Wisconsin Technical College System (WTCS) institution. This benefit is also available to certain spouses and children of eligible veterans as well. For full understanding of who is eligible for these remissions, refer to the actual statutory language included as Appendix A in this brochure.

Eligibility Determination.

Eligibility for the WI GI Bill is a two-part process. WDVA certifies the veteran is eligible, and the post secondary educational institution determines the student (be it veteran, spouse, or child of a veteran) as eligible for the tuition remission based upon the statutory requirements for eligibility outlined in the WI GI Bill legislation.

Limits. If you are also eligible for Federal Post-9/11GI Bill/Chapter 33 Federal Education Benefits, please get more information to understand the complex relationship between the WI GI Bill tuition remission and

Chapter 33. Go to www.WisVets.com/WisGIBill#WIGI for information on the coordination of federal and state benefits. Students should understand how these benefits conflict or work together when planning their education goals.

The Wisconsin G.I. Bill may be used at Wisconsin public higher educational institutions (i.e., University of Wisconsin institutions and Wisconsin Technical Colleges) by eligible veterans, spouses, unremarried surviving spouses, and children for a total of up to 8 semesters or 128 credits, whichever is greater. Any credits taken using the federal Post-9/11 GI Bill (Chapter 33) at Wisconsin's public higher educational institutions will reduce (count against) a student's WI GI Bill 128 credit or 8 semester allotment. For example, a WI GI Bill eligible student who has used Chapter 33 to pay for one semester (12 credits) will have 116 credits of their WI GI Bill allotment remaining. Attendance at institutions other than UW or WTCS will not count against the 8 semesters or 128 credits, whichever is greater.

Effective Date. The Wisconsin G.I. Bill first became effective on July 27, 2005, and was amended in 2007 and again in 2009.

Know What Is Covered

You are urged to check with the School Veterans Certifying Official (SVCO) at the campus you plan to attend to obtain specific information about eligibility and costs. Many factors can impact eligibility and some costs and/or academic programs may not be covered by the Wisconsin G.I. Bill tuition remission. A list of SVCOs is included in this booklet for your convenience.

You will be assessed and be responsible to pay any fees not covered by the Wisconsin G.I. Bill tuition remission. Once the certification and eligibility processes

are completed, you will be provided a bill indicating the fees that are due and payable and the date by which they must be paid.

For the most current information on using the WI GI Bill, go to <http://gibill.wisconsin.edu>.

Fees Not Covered at UW

Institutions. The Wisconsin G.I. Bill tuition remission program does not apply to the following programs of study:

- **Study Abroad.** Academic fees charged by a UW institution for study abroad programs where the fees collected are subsequently paid by the UW institution to a non-Wisconsin institution are not covered. Also not covered are any non-instructional fees charged in connection with a study abroad program such as for travel or living expenses.
- **Cost Recovery Programs.** Academic fees at UW institutions that are over and above regular tuition and fees for undergraduate, graduate, or professional courses are not covered. Certain academic programs are funded on a self-supporting basis without state support. Students enrolled in these higher priced cost recovery programs will be responsible for the difference between the cost of regular tuition and fees and the full cost of the program. Many study abroad, distance education, and online programs are funded in this way, as are many other programs.
- **Continuing Education.** Fees at UW institutions charged for continuing education courses (where continuing education units—CEUs—are granted) are not covered. The Wisconsin G.I. Bill applies only to tuition remissions for eligible individuals enrolled in academic, college-credit courses.

■ **Other Costs.** Other costs at UW institutions that are assessed in addition to academic student fees and segregated fees are not covered. Examples of costs that are not covered by the remission include, but are not limited to, textbook rental, laptop rental, special technology and computer or online fees, special course fees such as laboratory fees, the excess credits surcharge, and the United Council assessment. Housing and meals plans are likewise not covered by the remission.

Fees Not Covered in the WTCS.

Fees and charges at Wisconsin Technical Colleges assessed in addition to program fees (tuition) and material fees are not covered. As an example, the \$10.00 online course fee is not covered.

Federal Direct Payments

The Wisconsin G.I. Bill tuition remission applies AFTER any tuition and fees that are paid directly to the school by the federal government, such as for the Post-9/11GI Bill (Chapter 33), ROTC scholarships [10 USC 2107 (c)] and federal VA Chapter 31 Vocational Rehabilitation [38 USC 3104 (a) (7) (A)]. The Wisconsin G.I. Bill tuition remission will be applied to the remaining balance of eligible tuition and fees payable by the student.

Eligibility for Veterans

The Wisconsin G.I. Bill sets no income limits, delimiting periods following military service during which the benefit must be used, or limits on the level of study (e.g., vocational, undergraduate, graduate, professional). A veteran must either have established eligibility for Wisconsin veterans' benefits previously or must do so at the time of application for Wisconsin G.I. Bill benefits. This is normally done by completing a WDVA 0001 form with the assistance of the County Veterans Service Officer (CVSO). A

copy of the WDVA 0001 form and a listing of CVSOs are included in this brochure for your convenience.

In addition, for students enrolling in a University of Wisconsin System institution, an eligible veteran who entered active military duty as a Wisconsin resident but who is nonetheless considered a non-resident for tuition purposes is entitled to a 100% remission of non-resident fees. (The remission of non-resident fees does not apply to WTCS because eligible veterans in the WTCS are granted statutory residency status.)

Requirements for Children and Spouses to be Eligible

For the spouse or child of a veteran to be eligible for the Wisconsin G.I. Bill, the veteran must have met certain statutory requirements as a veteran, must have been a Wisconsin resident at the time of entry into active military duty, have a disability rating determination of 30% or greater, and, if deceased, must have been a Wisconsin resident at the time of death.

The veteran must either have established eligibility for Wisconsin veterans' benefits previously or must do so at the time of application for Wisconsin G.I. Bill benefits. If the veteran is deceased, the spouse or child may apply on the veteran's behalf. This is done by completing a WDVA 0001. (NOTE: If a form WDVA 0001 has not been completed and submitted to WDVA since 2005, a new one must be completed.) A copy of the WDVA 0001 form is included in this brochure.

Children and Spouses of Deceased Veterans. Under the Wisconsin G.I. Bill, the qualifying children and the unremarried surviving spouse of a Wisconsin veteran who dies either in the line of duty or as a result of a service-connected disability are eligible,

during specific periods of time, for the waiver of 100% of standard academic fees (tuition) and segregated fees at a University of Wisconsin System institution or of 100% of the program (tuition) and material fees at a Wisconsin Technical College System institution.

Children and Spouses of Service-Connected Disabled Veterans.

A qualifying spouse and the children of a Wisconsin veteran who has a service-connected disability or disabilities with a combined rating by the U.S. Department of Veterans Affairs (VA) of 30% or greater are also eligible for a waiver of 100% of standard academic (tuition) and segregated fees at a University of Wisconsin System institution or of 100% of the program (tuition) and material fees at a Wisconsin Technical College System institution for set time periods.

Eligibility for Children. For purposes of these benefits, a child is defined in s. 45.01(4) as any biological child, any adopted child, any stepchild, or any other child who is a member of the veteran's household, or any non-marital child if the veteran acknowledges paternity or paternity has been otherwise established.

Children eligible for the Wisconsin G.I. Bill must be at least age 17 but less than age 26, regardless of the date of the veteran's death or initial service-connected disability rating determination of 30% or greater.

Additionally, the child must be a resident for tuition purposes.

Eligibility for Spouses. Qualifying spouses must be residents for tuition purposes. A spouse remains eligible for the Wisconsin G.I. Bill for ten years following the date of the veteran's death or the date of the VA's initial disability rating determination of 30% or greater.

Eligibility for Unremarried Spouses. Qualifying unremarried spouses must be residents for tuition purposes. An unremarried spouse is eligible for the Wisconsin G.I. Bill for ten years following the date of the veteran's death or commencing with the date the youngest child that they had with the veteran, reaches (or would have reached) age 18, whichever is longer.

Statutory References

The statutes establishing the Wisconsin G.I. Bill benefits for veterans is in *Wis. Stats.* s. 36.27(3p)^j for UW System provisions and *Wis. Stats.* s. 38.24(8)ⁱⁱ for Wisconsin Technical College System. These statutes are provided at the end of this publication. The statutes establishing Wisconsin G.I. Bill benefits for the spouse, surviving spouse, and children of certain veterans, is provided for in *Wis. Stats.* s. 36.27(3n)ⁱⁱⁱ for the UW System and *Wis. Stats.* s. 38.24(7)^v for Wisconsin Technical Colleges. These statutes are included in full at the end of this publication.

Additional Info

For additional information, contact the Veteran Certifying Official listed for your campus in this brochure. For assistance in completing Wisconsin G.I. Bill application forms and the WDVA 0001 form, contact your County Veterans Service Officer. A copy of the WDVA 0001 form and a list of CVSOs are included in this brochure for your convenience. CVSOs are also listed on the WDVA website at www.WisVets.com/CVSO.

Applying

To apply, complete applicable forms in this brochure and submit as described on checklists for forms WDVA 2029 and WDVA 2030 that are in this brochure. Be sure to provide all required documentation

as described! Additional copies of these forms may be downloaded from the WDVA website www.WisVets.com/Forms.

Apply Early! To ensure that other financial aid can be determined accurately and to prevent receiving an overpayment that would need to be repaid to the institution, application should be submitted to UW or WTCS within the timelines listed on form WDVA 2029. The timely processing of your certification and application materials will be delayed if you have not submitted early and if you do not provide the necessary documentation as described on "checklists" later in this brochure.

VetEd— Veterans Education Reimbursement Grant Program

www.WisVets.com/VetEd

Wisconsin veterans may also be eligible for VetEd, the Wisconsin Veterans Education reimbursement grant program administered by the Wisconsin Department of Veterans Affairs.

Eligibility. VetEd statutory residency requirements may be met by entering active duty as a Wisconsin resident or by living in Wisconsin for a set period of time following entry into active duty, currently 12 months. Military service eligibility for the program is based on the character and the duration of active duty military service.

NOTE: Veterans who have been discharged from active duty for ten or more years may only attend "part-time" and only be reimbursed for "part-time study" as defined in s. 45.20(1)(c), Stats.

Reimbursement. The VetEd program provides reimbursement following successful completion of

full-time or part-time coursework at a UW institution, a Wisconsin Technical College, or a private institution of higher education in Wisconsin or Minnesota (under the reciprocity agreement administered under s. 39.47, Stats.).

Individuals seeking reimbursement under VetEd must first apply for all other educational benefits, including the Wisconsin G.I. Bill benefits if they are eligible for them. Reimbursement will not be made to students for payment amounts for which they are eligible under other programs including the Wisconsin G.I. Bill.

Application. Applications must be received by the Department within 60 days of the start of the class, term, or semester for which reimbursement is sought.

TIP: To speed the process, reduce waiting times for reimbursement checks, avoid the possibility of being lost in the mail, and ensure the mandatory deadlines are met, veterans should submit applications online at the beginning of the semester or course at <https://services.dva.state.wi.us> or online with the assistance of a CVSO. You'll need your username and password, or can sign-up for a WDVA online account if you don't yet have one. WDVA forms can also be printed and submitted in hardcopy and are available online at www.WisVets.com/Forms.

Successful Course Completion Required. You must receive a 2.0 or "C" average for the semester or course(s) in order to qualify for a VetEd reimbursement grant.

Eligible Schools/Courses. The school must award academic credit. The program or course must be approved by WDVA's State Approving Agency (<http://saa.dva.state.wi.us>) or the state's Educational Approval Board <http://eab.state.wi.us/resources/schoolsprograms.asp>. Courses

offered under clock-hour standards are not eligible for VetEd reimbursement grants. Out-of-state, tuition reciprocity, high school, and correspondence study are limited by law—contact WDVA for more information.

Maximum Income. The annual income of the veteran and his or her spouse cannot exceed \$50,000 plus \$1,000 for each dependent in excess of two (2) dependents. Adjusted Gross Income (AGI) from the current tax return is used to verify income.

Other Grants/Scholarships. A veteran may not receive reimbursement under the VetEd grant program for any semester in which he or she is eligible for or received a grant under Wis. Stats. s. 21.49 (the *National Guard Tuition Grant*), 10 USC 2007 (*Reserve Tuition Assistance*), or the state level Wisconsin G.I. Bill tuition remission program, regardless of whether he or she applies. To determine the relationship with VetEd and the Post-9/11 Veterans Educational Assistance Act, see www.WisVets.com/Education.

Undergraduates Only. The veteran must be enrolled as an undergraduate. A veteran is not eligible for the VetEd program if he or she has an undergraduate degree from any institution of higher education.

Full-Time Benefits. The maximum amount of study for which an otherwise eligible veteran (see *VetEd–Eligibility*) may be eligible for VetEd grant reimbursement is based on the aggregate length of the veteran’s qualifying active duty military service (except service on active duty for training purposes) **for the first 10 years following separation**, as follows:

- At least 90 days, but less than 181 days of total federal active duty: 30 credits or 2 semesters or the equivalent.

- Between 181 days and 2 years of federal active duty: 60 credits or 4 semesters or the equivalent.

- More than 2 years of federal active duty: 120 credits or 8 semesters or the equivalent.

Part-Time Benefits. For the first 10 years following discharge, credits and semesters are accrued and used for part-time study as noted above. After the first 10 years following discharge, WDVA will “bank” any unused earned credits, up to a maximum of 60, for additional part-time classroom study with no delimiting date. Part-time study is defined as 11 or fewer credits per semester (or the equivalent trimester or quarter), except during a summer semester or term.

Maximum Reimbursement. The amount that can be reimbursed as a VetEd grant is the reimbursable costs multiplied by the current or applicable reimbursement rate. *Reimbursable costs* are the lesser of: a) the total amount of eligible tuition and fees actually paid by the veteran, not including tuition or fees remitted under the Wisconsin G.I. Bill or paid by scholarships or other grant programs; or, b) the equivalent UW-Madison tuition and fee cost for the same number of credits. In all cases, reimbursement can be no more than the actual payment made by the veteran. For qualified disabled veterans with at least a 30% VA service-connected disability rating, the *reimbursement rate* is statutorily fixed at 100%. For other eligible veterans, the current *reimbursement rate* is 100% of reimbursable costs, which may be reduced, or applications denied based on the order received, if the appropriation for the program is exceeded.

Additional Information. For additional information, see the WDVA website at www.WisVets.com/Education, or contact your CVSO.

Other Federal & State Veterans Education Benefits

Additional WDVA, VA, or other state or federal educational programs may be available. Veterans and veterans’ dependents should see the VA website at www.va.gov, the WDVA website at www.WisVets.com/Education, or their County Veterans Service Officers for additional information or to apply.

Personal information you provide may be used for secondary purposes [Privacy Law, s.15.04(1)(m)].

APPLY EARLY!

Applications for the Wisconsin Technical College System (WTCS) should be submitted to the district Veterans Certifying Official and WDVA by the fourteenth (14th) calendar day of the semester (WTCS Date of Record).

Applications for University of Wisconsin institutions should be submitted to the educational institution and the Wisconsin Department of Veterans Affairs (WDVA) within fourteen (14) calendar days from the official start of the term for the fall or spring term, by June 1st for summer terms, and by the due date for term fees for interim terms.

Applying within the suggested timeline allows for financial aid to be accurately determined and reduces the risk of students receiving an overpayment that would need to be repaid to the institution.

- Form WDVA 0001**, Eligibility Determination (if eligibility for benefits has not been established since 2005).
- DD Form 214, copy #4 or #6** (*Certificate of Release or Discharge from Active Duty*).

NOTE on how to verify Home of Record: Some veterans discharged between 1978-89 may not have "home of record at time of entry on to active duty" on their DD-214. You can verify Home of Record by obtaining a copy of your DD-215, and or DD-2058, "State of Legal Residence Certificate," from the records center in St. Louis or from tax records from the Wisconsin Department of Revenue (DOR). You can go to the DOR webpage at <http://www.revenue.wi.gov/faqs/ise/request> to print a P-521 form and request proof of filing Wisconsin state taxes in the year that you entered into active duty. This DOR webpage will state it only keeps microfiche copies of tax returns for 10 years. However, DOR does store basic tax information on a "tax roll worksheet" that will reflect the information for the year requested even when the year requested is more than 10 years old. The "tax roll worksheet" can provide the necessary proof of your Home of Record. DOR currently charges a small fee (\$6.00 at the time of publishing this brochure) to obtain the "tax roll worksheet." Requests are generally mailed within 15 business days. Contact your County Veterans Service Officer if you require additional assistance.

- Death Certificate** if the veteran is deceased.
- Initial Federal VA Service-Connected Disability (SCD) Rating Notification Letter** showing 30% or more SCD rating if claiming eligibility based on service-connected disability. The Wisconsin Department of Veterans Affairs will send a completed certification of veteran status and eligibility to your school Veterans Certifying Official.
