

Annual Clery Crime Statistics

Nicolet College complies with the Jeanne Clery Disclosure Act and prepares an annual report of crimes that have occurred on campus and at outreach centers. The report can be found on the College website on the security page, or may be obtained from Campus Security. The report is also distributed to students and staff each year by October 1st as required by law. Campus crime, arrest, and referral statistics include those reported to local law enforcement and to College officials, including anonymous reports. In an effort to obtain the statistics from local law enforcement, Campus Security makes a written request to each local law enforcement agency to obtain a listing of any crimes they had reported to them and/or they had investigated. The reported crimes are also maintained in a daily crime log, which is located on the College website on the security page.
