Important Notes:

Admission to UW-Stevens Point does not guarantee admission to a specific academic major or program. Visit www.uwsp.edu/catalog for program admission requirements. This agreement does not guarantee bachelor degree completion within four years.

The University of Wisconsin System Undergraduate Transfer Policy (June 2011) states that students may generally transfer up to 72 semester credits earned at non-baccalaureate institutions. UW institutions may accept additional credits toward the degree where appropriate. This does not alter policies concerning credits to be earned in residence at an institution.
