

Baking

Technical Certificate

Three core courses (Culinary Career Essentials) develop a sound foundation of kitchen basics in professional baking and pastry arts. Two additional courses concentrate on baking principles and techniques used in bakeries and food service establishments.

Program Outline

TERM 1		
Course #	Course Title	Credits
1031612500	Culinary Principles Food science principles applied to professional culinary food preparation. Units include professional kitchen operation, recipe terminology, and cooking techniques for various food categories.	3.00
1031612600	Culinary Applications Provides practical experience applying food science principles in food preparation, analysis, and evaluation of preparation techniques. Prerequisites: 1031612500 Culinary Principles (C or better) (concurrent enrollment allowed) and 1031612100 Sanitation and Safety Fundamentals (C or better) (concurrent enrollment allowed).	3.00
1031612200	Sanitation and Safety Basics Learn basic principles of sanitation and safety in order to maintain a safe and healthy food service environment. The course presents laws and regulations related to safety, fire, and sanitation and how to adhere to them in the food service operation. Successful completion of the course enables students to take a national sanitation certification examination.	1.00
1031615200	Professional Baking Introduces modern bakeshop principles used to produce quick and yeast breads, restaurant style desserts, and pastries. Products are evaluated for practicality, flavor, presentation, and correct techniques. Prerequisite: 1031612600 Culinary Applications (C or better).	3.00
1031615300	Advanced Baking Application and refinement of basic baking knowledge and techniques gained in Professional Baking. Units include rolled-in dough, specialty breads, European-style desserts, petit fours, and decorative work.	3.00
Total Credits: 13.00		

Talk with a Success Coach about the program outline. Together, you will determine if credits you've already earned satisfy any requirements, discuss possible alternative courses, and choose the best classes if you're thinking of transferring.
