

Associate of Arts -Business Administration

An Associate of Arts degree in Business Administration (AA) creates a pathway for Nicolet College students to earn a UW-Madison Online Bachelor of Business Administration (BBA). Upon successful completion of the associate of arts degree at Nicolet College, a minimum of 60 credits taken at Nicolet will transfer to UW-Madison Online and provide junior-level academic standing. If a student transfers in course work from another institution to fulfill requirements within the AA, it will be evaluated from the institution where it was completed and not how it transferred to Nicolet College.
