

# Infant Toddler

## Technical Certificate

This certificate is designed for early childhood teachers and directors working with infants and toddlers in early childhood programs or for those who want a deeper understanding of infant and toddler care and education. The certificate consists of four courses for a total of 12 credits. Individuals who complete this certificate are eligible to submit a portfolio of their competencies to The Registry; Wisconsin's Recognition System for the Child Care and Education Profession and apply for the Wisconsin Infant Toddler Professional Credential awarded by that agency. This certificate articulates with the Nicolet College Early Childhood Education Associate Degree.

Note: Students seeking to earn Infant Toddler Credential through the Wisconsin Registry need to take 10-307-181 ECE: Infant Toddler Capstone in lieu of 10-307-174 ECE: Practicum 1.
