## Entry Level Driver Operator Pump Part I (Driving)

Course #: 4750374100

### Course Description:

The 12- hour ELDO Part I course will teach the student the safe procedures for driving fire apparatus to the emergency scene and returning to quarters. Class will be a combination of lecture and practical skills. Driving principles will be practiced and demonstrated through six standard driving maneuvers which include: serpentine exercise, alley dock exercise, diminishing clearance exercise and confined space turn-around exercises. The targeted audience is individuals who expect to be appointed to driver/operator-pumper duties on their respective fire departments.

Class No:  
9043

3/14/2025 – 3/15/2025

Delivery:  
Class

Fees Under 62:  
\$52.98

Fees Over 62:  
\$8.13

## Entry Level Firefighter Part B

Course #: 4750371200

### Course Description:

This 30 hour course expands the participant's knowledge and skills necessary to perform firefighting functions under direct supervision (WI DSPS 330.14 (2)). The targeted audience for this course is individuals new to the firefighting field and who have completed Entry Level Fire Fighter Part A. When taken in sequential order, parts A and B are designed to provide the Entry Level Firefighter candidate with the information needed to comply with the minimum firefighter training requirements as specified in SPS 330.08, Minimum training and education standards, Wisconsin Department of Safety and Professional Services, Chapter SPS 330, Fire Department Safety and Health Standards. The course curriculum is based on the current edition of Jones & Bartlett Fundamentals of Fire Fighter Skills text.

Class No:  
9008

2/26/2025 – 4/12/2025

Delivery:  
Class

Fees Under 62:  
\$128.69

Fees Over 62:  
\$16.56

Instructor: Behrens

**Meetings:**

Sat 4/12/2025 8:00am – 5:00pm at Birchwoods Center 112

Wed 2/26/2025 – 4/9/2025 6:00pm – 9:00pm at Crandon - Crandon Fire Department

This is a state-funded course for students affiliated with a fire department who successfully complete. Both Part A and Part B must be successfully completed in order to meet the minimum requirements of a Firefighter under SPS – 330. Textbook for the class is the Fundamentals of Fire Fighter Skills and Hazardous Materials Response, Fourth Edition Jones & Bartlett. ISBN 9781284151336 (Includes textbook and Navigate Access) Textbook needs to be purchased prior to the start of the class. There is no tuition fee for those students affiliated with a fire department and successfully complete the class.
