There is no tuition fee for those students affiliated with a fire department and successfully complete the class.

Firefighter 1 Cert Part C

Course #: 4750372100

Course Description:

This 36 hour course prepares participants to be able to perform firefighting functions at a minimum nationally recognized level under direct supervision (WI DSPS 330.14 (2)). The targeted audience is individuals whom have completed the minimum firefighting training requirements as specified in SPS 330.08, Minimum training and education standards, Wisconsin Department of Safety and Professional Services, Chapter SPS 330, Fire Department Safety and Health Standards, and desire, or are required, to increase their knowledge and skills-base to the next level. This course, when taken in addition to Entry Level Firefighter Part A, Part B, and Hazardous Materials Operations is designed to provide the Firefighter I candidate with the additional information needed to meet the job performance requirements (JPRs) defined in NFPA 1001, Standard for Fire Fighter Professional Qualifications, 2019 Edition. Candidates who successfully complete Entry Level Fire Fighter Parts A, B, C and Hazardous Materials Operations shall have met the requirements defined in NFPA 1001, Standard for Fire Fighter Professional Qualifications, Chapters 5.2 through 5.5 and the job performance requirements defined in Chapter 5, Core Competencies for Operations Level Responders, Chapters 6.2 and 6.6., mission-specific competencies: product control, of NFPA 472, and are eligible to take the Wisconsin Technical College System, International Fire Service Accreditation Congress (IFSAC) Certified Fire Fighter I skills and written exams.

Class No:
9052

4/17/2025 – 5/31/2025

Delivery:
Class

Fees Under 62:
\$153.93

Fees Over 62:
\$19.38

Instructor: Behrens

Meetings:

Thurs 4/17/2025 – 4/24/2025 6:00pm – 9:00pm at Birchwoods Center 112

This is the 36 hours in addition to the 60-hour Entry level fire training required to be eligible for state certification (in addition to Hazmat Ops) Class will meet on Thursday evenings as outlined in the syllabus with a Saturday practical lab on the Rhinelander Campus. Textbook for the class is the Fundamentals of Fire Fighter Skills and Hazardous Materials Response, Fourth Edition Jones & Bartlett. ISBN 9781284151336 (Includes textbook and Navigate Access) There is no tuition fee for those students affiliated with a fire department and successfully complete the class.

Hazardous Material Operations

Course #: 4750378000

Course Description:

This 20-hour course prepares the participant to perform the minimum hazardous material incident operations skills associated with firefighting functions at an advanced nationally recognized level under general supervision. The targeted audience is individuals who have completed, or are in the process of completing, the Fire Fighter I Job Performance Requirements (JPRs) in NFPA 1001 for certification to the Wisconsin Fire Fighter I level. This course is also available to members of the Emergency Medical Services, Law Enforcement, and other industrial employees listed under 29CFR 1910. This course is designed to provide the Fire Fighter I candidate with the information needed to meet the JPRs in Chapter 5, Core Competencies for Operations Level Responders, Section 6.2, and Section 6.6., Mission-Specific Competencies: Product Control, of NFPA 472. The participant must also take the Fire Fighter I course in order to meet the remainder of the NFPA Fire Fighter I JPRs to prepare for certification to the Fire Fighter I level. A written exam is available to participants who successfully complete this course. A participant who completes this course and wishes to be certified at the Fire Fighter I must successfully pass the written portion of the Hazardous Materials Operations exam.

Class No:
3406

6/6/2025 – 6/8/2025

Delivery:
Class

Fees Under 62:
\$90.05

Fees Over 62:
\$13.63

Meetings:

Fri 6/6/2025 6:00pm – 9:00pm at Fieldside Center 129
