

# Associate of Arts Online

The online Associate of Arts degree provides a greater concentration on social sciences and humanities. It also provides a foundation if you intend to continue your education at a baccalaureate degree granting college or university by offering Liberal Arts courses equal to those found in the first two years of a four-year degree.

By completing this degree, you have the benefit of a degree-to-degree transfer, where universities grant junior status and automatically waive specific lower division requirements, such as general degree requirements, regardless of individual courses taken at Nicolet. If you do not intend to pursue a bachelor's degree, the Associate of Arts signify achievement of diverse skills and knowledge that are valued in today's work environments.
