

# Associate of Arts - Psychology Pre-Major

Develop your liberal arts skills in the area of human thinking and behavior in order to work in a variety of careers working with people. Students earning this degree will easily be able to transfer to a bachelor's degree program in a variety of colleges and universities in and outside of the UW System. Program curriculum aligns well with the first two year requirements for psychology related majors and emphasis, including but not limited to Psychology, Human Development, Applied Behavior Analysis, and Human Services.
